

INTERLIN PRODUCT SHEET

GeoTech-Pro GFM 860 BS-E

Price: 2000 €

Rental Cost: 0 € / Per Month

Stock Number	00014
Model	GeoTech-Pro GFM 860 BS-E
Type	Flail Brush Mower
Chassis Material	Enameled Steel
Traction	Tracks
Propulsion	Self-Propelled
Rear Discharge	Yes (Standard Equipment)
Recommended Area	Up to 13,000 m ²
Country of Manufacture	China
Starting System	Electric with Key
Engine Brand	Briggs & Stratton
Engine Model	XR2100
Engine Type	4-Stroke, Single Cylinder, OHV
Displacement	420 cm ³
Cooling System	Air-Cooled
Fuel Type	Gasoline
Nominal Power	15 HP (Commercial Rating)
Effective Power	13.5 HP
Engine-to-Blade Transmission	Intermediate Belt
Fuel Tank Capacity	6 L
Number of Gears	3 Forward + 1 Reverse
Gearbox Type	Oil-Bath Mechanical
Speed Control	Handlebar Lever
Blade Type	Flail
Number of Blades	46 Y-Shaped Blades
Cutting Width	86 cm
Minimum Cutting Height	20 mm
Maximum Cutting Height	150 mm
Cutting Height Adjustment	Centralized with Handwheel
Blade Safety Brake	Yes

Stock Number	00014
Dimensions (L x W x H)	168 x 109 x 95.7 cm
Net Weight	287 kg
Gross Weight (with Packaging)	329 kg
Packaging Type	Palletized
Assembly Time	5 Minutes
