Stock Number

PR-O8ZKZ

Brand

Yanmar

Model

VIO12-2A

Year of Manufacture

2020

Operating Hours

500 hours

Operating Weight

1.2 - 1.4 tons

Dimensions (L x W x H)

3.8 m x 1.0 m x 2.3 m

Engine

Diesel, 2 cylinders

Engine Power

Approximately 12.5 hp (9.3 kW)

Fuel Tank Capacity

20 liters

Digging Depth

2.3 meters

Dumping Height

3.1 meters

Working Radius

3.5 - 4.0 meters

Max Speed

4.0 km/h

Hydraulic System

Variable flow pumps, main lifting cylinder

Track Width

Retractable (up to 980 mm, expandable to 1,370 mm)

Included Accessories

Bucket, lifting arm, quick coupler

Cabin

Open or with ROPS structure

General Condition

Excellent condition, like new

Maintenance History

Regular maintenance, low usage, no major issues

Track Brand

High-quality rubber tracks, excellent traction

Main Application

Light excavation, landscaping, small foundation works

Ease of Maintenance

Easy to maintain, components easily accessible

Stock Number

PR-O8ZKZ

Recommended Usage Type

Small construction sites, tight spaces, roadwork, utilities
